SOCIETY OF ST. VINCENT de PAUL 5th ANNUAL FRIENDS OF THE POOR WALK/RUN

Our conference of the Society of St. Vincent de Paul is excited to announce its fifth annual Friends of the Poor Walk/Run! The Society of St. Vincent de Paul is a worldwide organization of lay Catholics, following Christ's call to serve the poor, the suffering, and the deprived. Their founding activity, still practiced today, is the home visit. Through these visits, members establish personal relationships with our neighbors in need, not only providing material assistance such as rent, utilities, food, or clothing, but also offering friendship, understanding, and prayer. Our conference is no different, working to serve those most in need in our surrounding communities. This year's walk/run will take place on Saturday, August 19 on the track at St. Cecilia Academy. All are invited to participate in the event. This is a great event for families and individuals alike to connect with the community, get active, and serve those in the area who need it most. Registration will open next weekend. Save the date and make plans to attend!

SPONSORS NEEDED FOR THE FRIENDS OF THE POOR WALK/RUN

Our St. Vincent de Paul conference is seeking sponsors for this year's Friends of the Poor Walk/Run. Individuals, families, and businesses are invited to sponsor the event at one of three levels to accommodate your budget. If you are interested in sponsoring the event, please contact Paul Stigamier at pstigamier@me.com. Thank you for your support!

BEWARE OF SCAM EMAILS

Recently, we have noticed more and more spam emails coming from scammers posing as Fr. Raines, Fr. Tran, and other church and school staff members. In these emails, the scammers are requesting meetings, asking for favors, and even soliciting money and gift cards from members of our community. And as technology continues to advance, these emails are becoming increasingly harder to identify. Please know that all of our staff members will only send emails from our official Saint Matthew email addresses and would never solicit money or request personal information directly through email. If you receive an email from a Saint Matthew employee that appears suspicious, please do not respond to it or click any links in the message. Instead, please contact the church office, and we will help you verify whether the email is real or a scam. We are sorry for any confusion this may have caused. If you have any questions, please call the church office at (615) 646-0378.

TONY'S REFLECTION

DO NOT BE AFRAID

In the depths of the Great Depression, Franklin Roosevelt famously announced, "The only thing we have to fear is fear itself." Fear occurs when we encounter something that we can't control or that we think will harm us. Fear is a natural human response that arises as a defense mechanism in the face of potential danger. While not the same, fear and anxiety are related. Fear is a physical response, whereas anxiety is a mental or emotional response to something that may negatively harm us. Fear has been a constant emotion that has been a part of the human scene ever since the fall of man. Today, it seems fear has skyrocketed across our landscape. An estimated 31% of Americans experience an anxiety disorder in their life.

In the Gospel today, Jesus assures us three times not to be afraid of earthly trappings but rather to fear being in hell, separated from God. "Do not fear those who kill the body but cannot kill the soul; rather fear him who can destroy both soul and body in hell" (Matthew 10:28).

Three years ago, this country was stepped in the midst of fear of COVID to the point we shut down our normal way of living. Today, Jesus is reminding us to put aside fear and anxiety toward physical obstacles while having a healthy fear of spiritual realities. If a person doesn't fear sin, yet falls under the control of fearing a physical thing – be it cancer or even death itself – this fear will inevitably pull them away from the faith. Why? Because a physical ailment has no power to separate you from God. To become paranoid over a physical condition more than a divine relationship would be analogous to me fearing a bad rash because it negatively affects my relationship with my wife. This doesn't make any sense as the physical condition holds no sway over the sacramental relationship. But, sin, on the other hand, does have the ability to separate you from God. Therefore, we should fear sin and losing our connection with God over a mere physical disease.

Yet, if we are honest, we know that deep down, we tend to place more of our fear into the problems in this world. The picture today presents a sad reversal of the biblical message in which we've become afraid of that which we shouldn't ultimately fear (our health, the unknown), and we've become indifferent to the only thing we should be fearful of (separation from God). By casting aside the supernatural perspective, the material now takes precedence. Here, one's order has devolved, and fear becomes out of control. And God assuredly does not want us to be a constant worry wart about life. However, having one's foot situated in the spiritual landscape allows us to be above the fray of the fear and chaos going on in the physical world.

In prayer, the Lord can help us turn down the volume of fear so we can catch a glimmer of the peace He promises us.

YOUTH MINISTRY

SERVIO DEO 2023

Drywall and paint entire houses. Package bags of food. Organize and distribute food at a food pantry. Build and deliver sheds. Fill dozens of sand bags. Deep clean a church. Clear out old flooring. Clean a preserve of hurricane debris.

This is just a small list of the work we accomplished at Servio Deo last week. The list is overwhelming. Each task as important as the next to the people of Fort Myers who were impacted by Hurricane Ian. Thanks to your support and prayers, a group of incredible youth and adults from Saint Matthew were able to accomplish it all! They did so with a smile and a beautiful willingness to serve complete strangers. God is good!

If you want to see more of our Servio Deo mission trip, check out our YouTube channel (bit.ly/smclyoutube).
