

HOPE for HAITI Summer Challenge 2026!

We are excited to announce another opportunity for the Hope for Haiti Summer Challenge!

What is the Summer Challenge? Students are encouraged to perform a day of paid work to help Our Lady of Miracles in Gobert, Haiti this summer!

The Haiti Summer Challenge is a program where students take a day over the summer to do “odd jobs” and donate their proceeds in support of OLOM. You can venture on your own, with your family, or with a group like a sports team, or Girl Scouts. Some examples from past years include car washes, hand-making crafts like jewelry/art to sell, bake sales, babysitting, yard work, dog walking, selling tattoos at a swim meet, and many more—the possibilities are endless! We can use our God given talents and creativity to help serve our Haitian brothers and sisters!

In addition to helping our neighbors in Haiti, all participants will be invited to a donut party when school is back in session!

Please turn in this form and your donated funds by **FRIDAY AUGUST 21, 2026**.

****All grades can participate! We look forward to seeing everyone’s ideas and results when school is back in session in August. Remember, the amount raised is not the most important part, it’s about participating, creating community, and helping others.**

TURN IN THIS PART OF THE FORM TO TELL US ABOUT YOUR PROJECT

Describe the service project/activity that you completed this summer:

Who was on your team for the service activity?

What are the 2026-2027 homerooms for the students that participated in the activity described above?

Amount Raised: _____

How did you turn in your form/funds? (Pick one)

Cash to office in a labeled envelope, stapled to this form

Check to office, payable to ‘SMS Haiti Fund’, in a labeled envelope, stapled to this form

Givebutter using the link on the School Website under ‘SUPPORT’ (turn in this form separately)

Please send pictures of your summer challenge to Photos@stmatthewtn.org by **FRIDAY AUGUST 21, 2026**

Did you send in pics YES NO
